

My Teaching Routine

Connect

- Greet and capture students with quick activity and learning objective. (Including LNF)

Demonstrate

- Show the students what they need to learn.

Activate

- Get the students started on the activity with minimal teacher talk.

Facilitate

- Guide and challenge the students through their activities.

Collaborate

- Get students to work with each other during the lesson.

Share

- Encourage the students to share their ideas linking to learning objectives.

Consolidate

- Challenge student's learning with tailored questions to match their ability.
